

SPEC SHEET

AXIOM ENTRY MAT

The Axiom Entry Mat is a conveniently-sized mat made of a 1/2in thick heavy-duty permeable rubber material that allows water and dirt to pass through whilst providing great grip in all conditions. They are excellent for removing dirt, mud, gravel, ice, and snow before entering a clean workspace, and thanks to the durable material, they are easy to clean and highly reusable, making them a great solution for keeping your jobsite spotless.
