

ARMOUR PROTECTION PAPER

RE-CYCLED

Armour Protection Paper provides reliable and economical protection for finished surfaces, making it an excellent choice for light-duty coverage during short project timelines in areas with minimal traffic.

- Made from 100% recycled paper with a 40lb basis weight
- Effective for blocking windows on private projects
- Lightweight, easy to roll out, and simple to dispose of after use
- Commonly used to protect windows, glass store fronts, and more from minor construction damage like scuffs, scratches, or dust in low-traffic or short-term projects
