

ARMOUR TAK-MAT BASE

The Armour Tak-Mat Base provides a secure, low-profile foundation for Tak-Mat Pads, keeping them firmly in place while allowing for easy relocation across different floor surfaces without adhesive.

- Made from durable plastic with a grippy underside to prevent movement
- Holds Armour Tak-Mat Pads securely in place on a variety of floor types
- Allows pads to be moved between areas without sticking directly to the floor
- Designed for convenience and extended usability in maintaining clean, dust-free entry points
- Commonly used to protect entryways to remove dirt from minor construction damage like scuffs, scratches, or dust in low-traffic or short-term projects
