

# ARMOUR BATHTUB PROTECTION LINER

RE-USABLE

WATERPROOF

The Armour Bathtub Protection Liner delivers dependable, cost-effective protection for tubs during construction or renovations, helping prevent unnecessary damage and keeping projects on schedule. Designed for ease of use, it provides a quick and practical solution for jobsite protection.

- Made from durable, semi-flexible plastic
- Flat packed design expands to fit standard tubs 14" - 16" in depth by pushing the bottom into place
- Provides durable temporary protection against damage throughout the project timeline
- Commonly used to protect bathtubs from moderate construction damage like light impacts or wear in medium-traffic projects
