ARMOUR POLY SHEETING ROLL - MEDIUM (CLEAR)

The Armour Poly Sheeting Roll - Medium (Clear) is a versatile solution for temporary protection on construction projects, offering reliable coverage for dust control, overspray, and hoarding applications.

- 1.4 mil thick poly sheeting provides durable and lightweight protection
- Easy to cut, drape, and secure for quick setup on jobsites
- Clear material allows visibility while maintaining barrier integrity for safe work environments
- Ideal for use in a variety of temporary protection applications, including painting, renovations, and general dust control
- Commonly used to create dust barrier areas, protecting from minor to moderate construction damage like scuffs, scratches, or dust transfer in projects with occasional or medium traffic
