CUSTOM BRAND IT

Armour Grip-Terra Mat delivers a durable first line of protection, capturing dirt, mud, and debris from boots, creating safe and visible walkways across challenging site conditions while standing up to the demands of high-traffic and long-term use.

- Constructed from 1/2in thick heavy-duty permeable rubber material
- Allows water and dirt to pass through while providing excellent grip in all conditions
- Bright orange color enhances visibility, improving site safety and awareness
- Durable, easy to clean, and highly reusable for ongoing use on multiple projects
- Commonly used on jobsite pathways to stop dirt and debris from being tracked inside, keeping interiors clean during high-traffic and long-term projects
