ARMOUR FLOOR TAPE DISPENSER

RE-USABLE

The Armour Floor Tape Dispenser provides an efficient, ergonomic solution for applying seam tape on temporary floor protection, making installation faster, easier, and more effective while reducing strain on workers during large projects.

- Constructed from durable steel and rubber components for long-lasting performance
- Increases seam effectiveness by applying consistent pressure from the roller
- Universal design fits any tape roll up to 4.5in wide with a standard core
- Speeds up installation and reduces risk of back injury from bending
- Commonly used for effective tape installation for moderate to major construction, or sustained activity in busy or long-term projects
