ARMOUR SHOWER PROTECTION LINER

RE-USABLE RE-CYCLED WATERPROOF

The Armour Shower Protection Liner is designed to safeguard shower bases during construction, offering a durable and reliable layer of protection against damage throughout the project timeline.

- Made from semi-flexible plastic with foam backing
- Foam backing helps prevent scuffs, scratches, and other surface damage
- Provides durable temporary protection to maintain the integrity of shower bases until project completion
- Fits 9 common shower base sizes from 36in X 32in up to 60in X 36in, with built-in guides that make it easy to trim and customize
- Commonly used to protect shower bases from moderate construction damage like light impacts or wear in medium-traffic projects
